

## **HOMESECURE PLUS**

This policy wording sets out the cover provided to the insured named in the schedule, subject to the terms, conditions, limits and exclusions below. All amounts are expressed in Pakistani Rupees (PKR).

### **SECTION 1 — DEFINITIONS**

**1.1 Sudden and accidental** means an event that is unforeseen, unintended, and which occurs at an identifiable point in time. An event that develops progressively over days, weeks or months is not sudden and accidental.

**1.2 Fixed plumbing system** means the permanently installed pipes, tanks, valves, water heaters and fixtures forming part of the building's water supply or waste system. It does not include hoses, portable appliances, or connections not permanently fixed to the building.

**1.3 Deductible** means the amount shown in the schedule that the insured bears for each and every claim before the insurer's liability attaches.

## **SECTION 2 — COVERAGE**

### **COVERAGE A — DWELLING**

The insurer will indemnify the insured for direct physical loss or damage to the dwelling described in the schedule, up to the sum insured, arising from an insured peril occurring during the period of insurance.

### **COVERAGE B — CONTENTS**

The insurer will indemnify the insured for direct physical loss or damage to household contents at the insured address, up to the sum insured stated for Coverage B in the schedule.

## **SECTION 3 — INSURED PERILS**

**3.1 Fire, lightning and explosion.**

**3.2 Storm, tempest and flood, subject to Section 5.**

**3.3 Escape of water, subject to Section 4.**

**3.4 Theft following forcible and violent entry to the dwelling.**

## **SECTION 4 — WATER DAMAGE**

**4.1 This section applies to all loss or damage caused by water escaping within the insured premises, whether from the fixed plumbing system or from any appliance permanently connected to it.**

**4.2 Sudden and accidental escape of water from a fixed plumbing system is covered under this policy. Cover extends to the resulting damage to the dwelling and to contents, and to the reasonable cost of locating the source of the escape, up to PKR 150,000. A deductible of PKR 25,000 applies to each and every claim made under this clause.**

**4.3 Where an escape of water results from the failure of a pipe that has ruptured without prior warning, the insurer will treat the event as sudden and accidental for the purposes of clause 4.2, provided the insured reports the loss within thirty days of discovery.**

**4.4 The insurer may require an inspection report from a qualified plumber or loss adjuster establishing the mechanism and timing of the escape before settling a claim under this section.**

## **SECTION 5 — EXCLUSIONS**

The insurer will not indemnify the insured in respect of:

**5.1 Loss or damage caused by gradual leakage, seepage, weeping or dripping from any pipe, tank, fitting or appliance, where that leakage has occurred over a period of time. Such loss is excluded whether or not the insured was aware of it.**

**5.2 Loss or damage arising from wear and tear, gradual deterioration, corrosion, rust, or the failure of the insured to maintain the fixed plumbing system in sound condition.**

**5.3 The cost of repairing or replacing the pipe, fitting or appliance from which the water escaped, as distinct from the damage that escape caused.**

**5.4 Loss or damage occurring while the dwelling has been left unoccupied for more than sixty consecutive days, unless the water supply has been shut off and the system drained.**

**5.5 Loss or damage caused by subsidence, landslip or heave.**

## **SECTION 6 — CLAIMS CONDITIONS**

**6.1 The insured must notify the insurer of any event likely to give rise to a claim as soon as reasonably practicable, and in any event within thirty days of the date of loss.**

**6.2 The insured must take reasonable steps to prevent further damage and must not dispose of damaged property before the insurer has had an opportunity to inspect it.**

**6.3 The insurer will appoint a loss adjuster for any claim where the estimated indemnity exceeds PKR 100,000.**

**6.4 Where a claim is found to be fraudulent in whole or in part, the insurer may decline the claim in its entirety and void the policy from inception.**
